

Is

HUBZone

Certification right for you?

The U.S. Small Business Administration's (SBA) HUBZone Program provides federal contracting incentives to qualified HUBZone businesses.

Attend this seminar to determine whether your business would be a candidate for certification. Also, learn about preferred access to federal procurement contracting opportunities for HUBZone Certified companies.

The HUBZone program was developed to aid communities that have limited economic development and opportunities for its residents.

Benefits of the program include:

- Federal Contracts set-aside exclusively for HUBZone certified firms.
- A 10% price evaluation preference in full and open acquisitions.
- Subcontracting opportunities with Federal prime contractors.
